

Assembly instructions

Product size(WxDxH) 2060x860x950mm

Bed size(WxD) 1430x1900mm

IMPORTANT: Before you start please read the instructions in full and keep for future reference.

When you are ready to start, make sure that you have plenty of space and a clean, dry area for assembly.

Due to the size of this product we recommend that it is assembled in the room intended for use.

Unwrap all packaging materials and place the components on top of the box or on a clean floor to prevent scratching.

Check the pack and make sure you have all the parts listed.

Do not use power tools to construct this product.

Do not over tighten screws or bolts.

Do not use scourers, abrasives (including washing powders), bleach or solvent based cleaners as they can bleach or damage the product
